Have you ever been mistreated  
Then you've gotta know what I'm talking about  
Have you ever been mistreated  
Then you gotta know what I'm talking about  
Lord, I worked five long years for the same woman  
And she had the nerve to put me out

I got a job at a steel mill,  
I was chucking steel like a slave  
Five long years, but Friday I come home  
I said Lord, Lord, I said Lord with all my pay

I said I've been mistreated  
Then you gotta know what I'm talking about  
Five long years, but Friday I come home  
She had the nerve to put me out

You know I finally learnt my lesson  
I should've known a long time ago  
The next woman that I marry  
Gonna have two jobs and  
She gonna work, gonna work and bring me the dough

I've been mistreated  
Then you gotta know, you got to know, you gotta know  
what I'm talking about  
Five long years the same woman  
I said she had the nerve, she had the nerve to put me  
out  
Yeah
