I go down,
Write down a little something,
Because it's been a while and I'd like to let you know,
That I've been thinking,
All about you.
How strong you make me feel when you're not around.
No matter where you are,
You're my everything.

Nothing without you baby,
Because a bird can't fly without wings.
Without wings.

Sometimes I get a little crazy
And things don't go so well
And things I can't explain...
I love you.
It ain't enough now,
Say how you make me feel when you're not around.
No it ain't like me
To worry about a thing.

Without you I'd crumble away.
Because a bird can't fly without wings.
Without wings.
Without wings.
Without wings.

Oh you know me well and sentimental ain't me,
But back then I was a shadow of who you helped me to
be.
Well I've been in a bed of roses and we've been
through hard times,
But with you around it's like you help me,
You help me fly,
Fly,
Fly, fly,
You help me fly.
Help me fly.
Yes you do.
Oh yeah.

Because a bird can't fly without wings.
