(_Hmmm ...

Yeah, yeah... x4_)

Words are sharp, sharper than a knife

My days are dark, like a moonless night

And it hurts to see, how we falls apart now,

Now you stands alone, and so does me,

And i am afraid, of what will be,

I used to count to four, now i count to three

[Refrain:]

I can't get down, I can't get up,

I can't begin, I can't stop,

I can't let go, I can't hold on

I can't say yes and I can't say no

I can't sleep, I can't wake up

I can't love and I can't trust, I can't,

I can't, I can't, I can't,

I can't,

I can't, I can't, I can't...

If love's so nice, why does it hurt so bad?

If lovers are happy, how come i'm sad?

Lovers love to give, they don't expect to get, well I
expect a lot

I want all the things I couldn't have

I wanna be the only woman you will ever love

I wanna be that one, I want you to miss me when i'm
gone

I can't get down, I can't get up,

I can't begin, I can't stop,

I can't hold on, I can't let go,

I can't say yes and I can't say no

I can't sleep, I can't wake up

I can't love, I can't trust, I can't,

I can't, I can't, I can't,

(_Yeah x8

Yeah x8

Yeah x8; Yeah, yeah, yeah

Yeah x8_)

I can't

I can't, I can't, I can't...

I can't

I can't, I can't, I can't...

I can't get down, I can't get up,

I can't begin, I can't stop,
I can't hold on, I can't let go,
I can't say yes and I can't say no
I can't sleep, I can't wake up
I can't move, I am stuck
I'm stuck,
I'm stuck, I'm stuck, I'm stuck
