Fading hopes,. silence,  
Feel for my aches,  
Cause we don't know  
Who lead on to something so beautiful,  
Nobody wants to let go of her Julia!

[Chorus:]

Tell me who can I pray to!  
If you won't tell me,  
Why should I still believe?  
I know you have reasons,  
But this seems unfair,  
This doesn't seem right!  
Tell me who can I pray to!  
If you won't tell me,  
Why should I still believe?  
I know you have reasons,  
But this seems unfair,  
This doesn't seem right!  
This cannot be right!

Dreams upon on hold  
She will give them all away,  
If she only grow old!

What would her father give,  
For his Julia to live?  
Sure he'd do everything  
To keep her from it  
To keep her with him!

[Chorus:]

Tell me who can I pray to!  
If you won't tell me,  
Why should I still believe?  
I know you have reasons,  
But this seems unfair,  
This doesn't seem right!  
Tell me who can I pray to!  
If you won't tell me,  
Why should I still believe?

I know you have reasons,  
But this seems unfair,  
This doesn't seem right!  
This cannot be right!
