Why are you so quiet, as if you got something to hide?
And why are you so cold, as if you don't want to be
hold?
Why, can't you look into my eyes?
Is it because you're scared, to see yourself inside?
I really want to know what it is,
But I how can I when you don't give me a chance?
Maybe you think I wouldn't understand,
But I'm here as a friend.

I wish I could watch your soul, to know you better,
I wish I could read you like a book,
Letter by letter.

Why are you so quiet, as if you got something to hide?
And why are you so cold, as if you don't want to be
hold?
Why, can't I get through to you?
Oh I feel so frustrated cause I don't know what to do,
I really want to know what is it,
But how can I if you don't give me a chance?
Maybe you think I wouldn't understand,
But I'm here as a friend.

I wish I could watch your soul, to know you better,
I wish I could read you like a book,
Letter by letter.

I wish I could watch your soul, to know you better,
I wish I could read you like a book,
Letter by letter.
