Some people say that
I'm too open
they say
it's not good to let them know everything about me
and they say one day
they will use every little thing against me
But i don't mind maybe they're right
that's just how it is and i got nothing to hide.

i live my life the way i want
i got nothing to hide nothing at all
life is not a fairy tale
they should know that
Life is real.
i live my life the way i want
i got nothing to hide nothing at all
life is not a fairy tale
life is about more 'cause Life is real.

Life is real (yeah)
Life is real...

A friend of mine gave me an advice
he said be careful and think twice before you talk about
your life
protect yourself just keep quiet
the more they know the harder they try
to spoil your ways to spread lies

and even though i know he could be right i just said i..

i live my life the way i want
i got nothing to hide nothing at all
life is not a fairy tale they should know that
Life is real.
i live my life the way i want
i got nothing to hide nothing at all
life is not a fairy tale
they should know that Life is real.

Life is Real!
Life is Real!

Life is Real!
(life...life...life...life is real)

Me i be ayo ogunmakin
fear no foe
i am real from head to toe
like life is real and you should know
Me i be ayo ogunmakin
fear no foe
i am real from head to toe
just like my heart and like my soul.
Me i be ayo ogunmakin
fear no foe
i am real from head to toe
like life is real and you should know. (2 fois)
