[A. The premonition]

A STRANGE SENSATION COMES OVER AYREON,  
AS IF SOMETHING MYSTERIOUS IS ABOUT TO OCCUR.

[B. Dreamtime (words become a song)]

SUDDENLY A VISION EMERGES IN AYREON'S EVER-  
BLACK WORLD  
AND HE FINDS HIMSELF SINGING ABOUT THE HORRID  
PROJECTIONS  
ETCHED INTO HIS BRAIN.

[AYREON:]

A cry in the silence  
A shine in the dark  
Like a rising star  
The dream is coming  
Images of violence a flight through time and pace  
It's such a lonely place  
The dream has started

The smoke is rising  
The vision's getting clearer  
And words become a song  
In the dreamtime

I've lost control  
Marooned and cold  
I suffer the fears  
Of a future untold  
I cannot change  
The shape of things to come

The smoke is rising  
The vision's getting clearer  
The hands of time are whirling around  
I'm realising  
The future's getting nearer  
And words become a song

[C. The awakening]

ABRUPTLY THE VISION ENDS AND AYREON RECEDES  
INTO HIS DARKNESS.
