I was wondering
Why you
Made me cry overnight
I have given all love
And I don't wanna
Start a fight
Ah
I can't live
Without you
So try to understand
(Cause) the way
I want you
The way I love you
I don't wanna hide

Chorus:
I wanna tell you
The truth about me
I wanna show you
The reason to love me
I wanna tell you
The truth about me
Ah

You broke my heart
When you walked
Out of my life
I don't know
How to survive
I'd like
To read your mind
And find out emotions
You always try to hide
Ah
I'm a special girl
So different
From the others
(Cause) the way
I want you
The way I love you
I don't wanna lie

(Chorus)
