(Part Two!)

See now you who the God be  
Back runnin' the city and you know who the squad be  
Flipmode bitch look see ain't nothin' changed  
Now I'm back with the remix with the Queens of the  
game

When you see me in the spot you niggas better respect  
it  
Y'all already know where I rep, ain't no reason to check  
it  
And I know that you ain't fuckin' with me just for the  
record  
So instead I'ma let Mary J. Blige come and set it

Now get low Mary! Maybe you can guess who it is  
Mary J. Blige I'm about to handle my biz  
I'm on my grown woman still I rep for the kids  
In every hood, and all my people doin' a bid  
Turn it up!

Now you know who's really the Queen, deliver the mail  
Seven hundred thirty thousand first week of my sales  
The haters plot and they watch lookin' all pale  
While I'm on a yacht, overseas doin' my nails

Get low Mary! Well let me show you how we do  
I gotta thank everyone for coppin' The Breakthrough  
Bus did take one, the remix is take two  
You love the way we reinventin' how we just stay new

How we sellin' out these stadiums, arenas and all

Only Louis and Gucci, we don't shop at the mall  
Got you partyin' and dancin' and havin' a ball  
And you're lovin' the way we reppin' how we do it for  
y'all go 'head and

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Get low Digga! See me rollin' up in your hood  
These jokers screamin', "Damn, Rah still be lookin'  
good"  
They do they little mack, be askin' me who I tapped  
Ain't none of your concern, you a G, make it hap

When I give a nigga some play, he losin' his brain  
Askin' me a bunch of questions actin' like he my man  
Wanna stress a bitch out, tellin' me I done changed  
And sayin' damn, my bad if you fell for the game

Get low Digga! Now he's sittin' there lookin' stuck  
He thinkin' 'cause he spent a little dough, I'm 'gon fuck  
If money ain't a thang, I'm sayin' let a bitch know  
Type to empty the account, how far you willin' to go?

Now he hoppin' on the jet, he ain't wastin' no time  
Told me all expense paid, anyplace I could find  
Hit the islands in the winter, trickin' all on his dime  
Ain't a shorty in the world, pussy better than mine, they  
wanna

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it  
(Bus this is serious man!)

Touch it, bring it, pay it, watch

Get low Missy! I'm jinglin' baby, go 'head mami  
Don't I look charmin'? Put your lips up on me  
Kiss it, touch it, good, yes I wish you would

You like to see me when I dip baby dip  
Don't it look like I got Beyonce hips?  
Lookin' like I could be like Nia Long  
Boy you smokin' that Cheech and Chong

Get low Missy! Have you ever seen thickness in a  
thong?  
You can hit it like a game of ping pong  
If you give me two shots of Patron  
Nigga bring it on, I might let you take me home

Now Busta Bus, Misdemeanor in here  
This year be clear y'all best beware  
Fake MC's y'all can't come near  
I'm toxic baby, like I'm Britney Spears

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

See I ain't even gotta talk to y'all!  
I let the Queens of the game get at y'all!  
See y'all ain't even in my league! Flipmode bitch!

Touch it, bring it, pay it, watch it  
Turn it, leave it, stop, format it

Turn it, leave it, stop, format it
