Oh, I don't wanna lose you love
I don't wanna lose your love
I don't wanna lose your love
I don't wanna lose your love

(Take a deep breath)

Ohh... (B Angie B)
(B Angie B)

Dinner's ready
And the wine is chilled
My baby's coming over
Oh, you know just how I feel

Because I don't
Wanna lose your love
Think how it feels, baby
It's getting harder to conceal, yeah

Do I fit in the life that
You're living, boy (baby, say I do)
Do you feel all the love
I've been giving you

Oh, when I come home
Do you care to see me
Things ain't the way
They used to be, baby

I don't think you
Really wanna leave me
You've got to say
Just what's the reason

Don't take my love
For granted, boy
And then turn around
And do me, whoa

I don't wanna lose your love
(I don't wanna)

I don't wanna lose your love (ooh)
Don't wanna lose your love
(Don't wanna lose)
I don't wanna lose your love
(Oh, come on)

Come on and say that you will
(Just say you will)
I'll do the best to fulfill
(I will be there)

I don't wanna lose your love
I don't wanna lose your love

I think you need my love (my love)
You can't defeat my love (my love)
You won't abuse my love (ooh, oh)
I don't wanna lose your love

Hey, hey, hey, hey
Well, well, well, well

You just don't know
What you do to me
I wanna ask you something
Hey, baby, hey, baby
(What's up)
I think we can make it
How bout you

But don't just send me away
To be alone (away)
I don't think I can take it
(I ain't going nowhere, baby)

Cause if you tell me to go
(You know I will)
I will leave you (for sure) alone

Don't ask me to stay
Don't do me wrong, yeah
(I can never do you wrong)

Do I fit in the life that
You're living, boy (baby, say I do)
Do you feel all the love
I've been giving you

Oh, when I come home
Do you care to see me
Things ain't the way

They used to be, baby

I don't think you really
Wanna leave me (don't go)
I think you're confused and
You don't want to believe it

You can't take love
And just walk away
With the guilt that you carry
You'll be back some day, whoa

I don't wanna lose your love
(Don't wanna)
I don't wanna lose your love
(Don't wanna lose)

Don't wanna lose your love
(Your love)
I don't wanna lose your love
(Oh, oh)

Come on and say that you will
I'll do the best to fulfill
I don't wanna lose your love
I don't wanna lose your love

I don't wanna lose your love
I don't wanna lose your love
Don't wanna lose your love
I don't wanna lose your love

Oh, hey, oh, oh...

You just don't know
Oh, whoa
What you do to me
Ooh, hoo

I don't wanna lose your love
I don't wanna lose your love
I don't wanna lose your love
I don't wanna lose your love

Whatever it is you want
I'll give it, uh uh
Whatever it is you need
I'll give it, uh uh

Whatever it is you want
I'll give it, uh uh

Whatever it is you need, yeah

I don't want to lose your love

I don't want to lose your love

Oh, oh, oh, oh
