Oh... ey... yeah... yeah...  
Ooh... hoo... hoo...  
Ooh... hoo... hoo...  
Ooh... hoo... hoo... hoo...  
Oh... hey...  
Ooh... hoo... hoo... hey...

It's six o'clock and I'm just wakin' up  
To another lonely mornin' without you  
Go get my coffee and I think to myself [I think to  
myself]  
Just what am I gonna do

Well, I need some help to understand  
And only you can make it clear  
Why do you have to look for love out there  
When there's so much love here, yeah... hea... hea...

I spend so much time with you on my mind  
I barely can make it through the day, ooh, hoo  
Fighting the urge to pick up the phone  
And call just to see if you're okay

Then I hear your voice, oh, you stumble [Stumble by] by  
And my worries disappear  
Why do you have to look for love out there (Ooh, boy)  
When there's so much love here

Whoa... oh... oh... oh... oh...

You're always on the run, I know you're havin' fun  
Pretending to look for that very special someone  
But if you keep on disrespectin' me, I know there's  
gonna be  
A day when you're gonna find me gone, oh... oh... oh...  
oh... oh... ho... ho... ho...

I'm gonna defend you right or wrong  
I'm always on your side  
Log on to kill this message.  
And you know I'll go on to see it, yes, I will  
When there are troubles on your mind

It's just a waste of time to try and find  
Another love that's better than mine  
I'm tellin' you the dream will never end, no, no

There's no need to look for love (Don't have to look for  
love) out there  
When there's so much love here (So much love, so  
much love)  
(I wanna ask you somethin') There's no need to look for  
love out there  
(Why)  
When there's so much love here (I just don't  
understand)

There's no need to look for love out (Woo... hoo... hoo...)  
When there's so much love here (So much love, so  
much love, I want you to  
Have all of my love)  
There's no need to look for love out  
When there's so much love here
