We high got the main stream and the underground
we eatin good no longer feelin the hungry now
my team so fly we like the boys in the hood
yea im only sixteen betta get that understood
jeezy left them but they still all good
i come through your block cause you know i would
but you wouldnt do anything cause you fake like that
you say your girl hot but she really really fat
your girls catching balls like shes fucking randy ross
shes even running patterns u know criss criss cross
i say im winnin which means i cant lose
im wide a wake gettin my hustle on well you snooze
i can wake up early but i would rather sleep in
your the chargers im the pats you lost and i win
but im like fab man i do the damn thing
i bring this swagger to the stage what u bring
me im in the cakes tee and warlok in the white tee
u know the name cakes man dont forget the b
