I got a girl her name's francine
finest thing ya ever seen
and I love her she's all that I wont
and I need her she's all that I need
francine don't ask me why
do you love me you make me cry
and I love her she's all that I want
and I need her she's all that I need
if I call her and I act so mean
I'm going back in the penetentery
and if I call her one more mother's son
I'll call her daddy and get my gun
well francine just turned thirteen
she's my only teenage queen
and I love her she's all that I wont
and I need her she's all that I need
