well she was just seventeen
you know whot I mean
and the woy she looked was way beyond compare
so how could I sleep with another
when I saw her standing there
well she looked at me
and I could see that
before too long I'd fall in love with her
she wouldn't kiss with another
when I saw her dancing there
well my prick went zoom
when I crossed that room
and I shaked her tits with no mercy
(oh) we fucked through the night
and we held each other tight
and before too long I fell in love with her
now I'll never screw with another
since I saw her standing there
