hallo giorgi  
i read all these comics when i was a kid  
i don't feel like reading them again  
you wanna know something  
outer space is just about the dullest  
place  
there is  
it ain't like in the movies at all

hallo giorgi  
i can't even get the radio to work  
it must be one of those shoddy detroit  
built songs  
i guess they can't build 'em any better  
here in the future than they did in the  
past  
oh lord  
it ain't like in the movies at all

now all i want is to see you soon  
now i've got something to discuss with  
you  
so then  
you can later tell me  
oh lord  
it ain't like in the movies at all

(jebote to nije nimalo ko na filmu)
