Yeah, I'm a cool guy, I'm doing cool shit  
I got a cool car, I call it cool whip  
Yeah I'm a cool guy, I'm doing cool shit  
I got a cool car, I call it cool whip

Yeah, ima a cool guy doing-doing cool shit  
I got a cool car, I call it cool whip  
I call it cool whip, I call it cool whip  
I got a cool car, I call it cool whip

I am the shit, but I am unflushable  
Play 'em like a little kid and eat 'em like a lunchable  
Uncrushable, untouchable master of diseaster  
Anybody want to race?  
I bet that I can go faster  
IÂ am a king, a ruler  
Any form of torture, I bet that I can be crueler  
I can be oober sick with it, so legit  
So damn nice, can't take your hands off of it  
Ice cold, I got frost bite on my soul  
Must be a beast until I grow old and disintegrate  
Everything within is great, imitate, shit is fake  
Bitch I'm a jerk, and I only do it up this way, ayy!

Yeah, I'm a cool guy doing-doing cool shit  
I got a cool car, I call it cool whip  
I call it cool whip, I call it cool whip  
I got a cool car, I call it cool whip

Do it up so legit, ya we here, goin big  
Already know what it is I'm on a beastie hit  
Reject with it, bend your knees back with it  
Rock a tee and hat with it, skinny jeans how we fitted  
We in it to win it, my dude  
Matterfact, that's all we do, ask anybody fool  
They gon tell you how we rule  
Gon' tell you how we do what we mother fucking do  
You ground zero level while I'm up past the clouds  
I'm a track eating monster and  
Â you just a clown  
Bringing it down, while I'm rising right up  
I'm a jerk, I'm a jerk, put your middle fingers uppp...

Yeah, I'm a cool guy doing-doingÂ  
Cool shit  
I got a cool car, I call it cool whip  
I call it cool whip, I call it cool whip  
I got a cool car, I call it cool whip
