Verse 1

Is this the only way to learn now?
It's the only to part
I sleep at night and remember
All the words you said to me

Bridge

It won't be long (wont be long)
And I will believe (and I will believe)
That you will be there
(That you will be there)
Don't say never

Chorus

Dont say never (Dont say never)
To all your dreams now
Cause never is a very long time
To be far away
And I will tell you (and I will tell you)
Just dont say never (Just dont say never)
To all inside your heart
(all inside your heart)
It's Alright
aah aah aah aah

Verse 2

So Only time will tell the future
Like rain you know it falls
Now here at last soon together
Just a night away you'll see

Bridge

Chorus

Don't Say Never
Don't Say Never
Don't Say Never
Don't Say Never
Don't Say Never
Don't Say Never

Don't Say Never
Never

Chorus (x 2)
