Ohhhh fly away
Maybe I won't stay
Here in the shadow
of dawn
Baby please don't cry?
cos I will be by your
side
Leading me to a distance land
Baby won't you take
my hand
And we will fly away
(tataratutu)
Fly away
Who knows what we'll see
Oh fly away
(tataratutu)
Fly away
To the end we wannabe
Time at night to day
And open my
eyes to the light
I will see you there
Together forever so
right
Leading me to a distance land
Baby won't you take
my hand
And we will fly away
(tataratutu)
Fly away
Who knows what we'll see
Oh fly away
(tataratutu)
Fly away
To the end we wannabe
Fly away
Ohhhhhh
Fly away
Baby
fly
(tataratutu)
Fly away
Who knows what we'll see
Oh fly
away
(tataratutu)
