Take a chance, take a chance
Take a chance chance
chanceTake a chance, take a chance
Take a chance chance
chance chanceI?m the first in
lineHoney I?m still free
Take a chance on melf you need
meLet me knowGonna be around
If you got no place to go
When you?re feeling down
Friday night and the lights
are lowLooking out for a place to go
Where they play the right music
Getting in the swingYou come to look for
a kingAnybody could be that guy
Night is young and the music?
s highWith a bit of rock music
Everything is fineYou?re in the mood
for a danceAnd when you get the chance
You are the dancing queen
Young and sweet, only seventeen
Dancing queenFeel the beat from the
tambourine, oh yeahYou can dance, you can
jiveHaving the time of your life
See that girl, watch that scene
Diggin? the dancing queenI?ve been cheated by
youSince I don?t know when
So I made up my mindIt must come to an end
Look at me nowWill I ever learnI don?t know
howBut I suddenly lose controlThere?s a fire
within my soulJust one look and you can hear a bell
ringOne more look, and I forget everything
Ohh-oh, mamma mia, here I go again
My, my, how can I resist ya? Mamma mia
does it show againMy, my just how much
I?ve missed yaSo I say thank you for the
musicThe songs I?m singingThanks for all the
joy they?re bringingWho can live without itI
ask in all honesty, what would life be
Without a song or a dance what are we
So I say thank you for the musicFor giving it to me
So I say thank you for the musicThe songs I?m
singingThanks for all the joy they?re bringing
Who can live without itI ask in all honesty, what
would life beWithout a song or a dance what are
weSo I thank abba for the musicFor giving it to me
