I know we're far away  
A million miles  
I know that we can't  
See your eyes  
But just for you we wrote this happy song  
Now everybody sing along

We all  
Wanna brave the hottest heights  
Wanna fly to highest skies  
Wanna see a million smiles

We all  
Wanna hold each other's hands  
Wanna laugh and sing and dance  
We're together  
We're best friends

And if we're watching different TV news  
Or different languages we use  
That doesn't matter  
Love is common thing  
Now we're together  
Let us sing

We all  
Wanna brave the hottest heights  
Wanna fly to highest skies  
Wanna see a million smiles

We all  
Wanna hold each other's hands  
Wanna laugh and sing and dance  
We're together  
We're best friends

We all  
Wanna brave the hottest heights  
Wanna fly to highest skies  
Wanna see a million smiles

We all  
Wanna hold each other's hands  
Wanna laugh and sing and dance  
We're together  
We're best friends
