Words and music by roddy frame

Stuck in my beat suede shoes I can't wait,
Oh what a state to be in.
I need her heart and get a jack-jones for my sins,
She's gonna ditch that shining, sick machine
And be speeding straight my way.
But I'm churning in neutral, turning in a circle,
Just like the usa.

The secret is silver, it's to shine and never simply
survive
And don't swallow substitutes and never see second
prize.
'cos I know that my might could change my mind,
And I'm told that by rights it's not my find.
I'd be a tribute to temptation in it's glory and it's grave,
But I'm churning in neutral, turning in a circle,
Just like the usa.

The secret is silver, it's to shine and never simply
survive
And don't swallow substitutes and never see second
prize.
'cos I know that my might could change my mind,
And I'm told that by rights it's not my find.
I'd be a tower to your highest hopes,
That no southern star could sway,
But I'm churning in neutral, turning in a circle,
Just like the usa.

I hear those rhyming bells and heed the words they
say,
And with a string of diamelles I'll steal her heart away.

'cos I know that my might could change my mind,
And I'm told that by rights it's not my find.
In my star-bangled sailor suit,
I'd be the pioneer by day,
But I'm churning in neutral, turning in a circle,
Just like the usa.
