We badboyz and we cant be touched
Let it go shawty rock to dis
Me and Diddy in the six tell ya friend i said excuss me

[dustin hook]

Yo, excuse me for starin', but the skirt that you wearin'
had me imagin'
so many things oh
It was cute you were so shy
But you smiled and then said hi
thats how it began
it wasnt planned (though we never know)

[hook]

Though we never know we love in life
Babe i think i maybe found my future wife in you
could it be true?
Anytime you call you know ill be there
Be sure to mention you each timel say my prayers at
night
you were the light

[chorus]

And its your way
Cus thers nuttin i can measure to my shawty
No way, no way
but your way
Cuz i never knew wat love was till you showed me
I love it when you hold me you hold me girl in your way

[Byran]

[Carnell:]
Can we keep it a secret
That we chilled on the weekend till our friends found
out
that we went out
Oh ho ho ho girl

[Dustin]
And we danced at the parties
From the moment they started i cant live without you
around

[Hook]
Though we never know we would love in life
Babe i think i maybe found my future wife in you
could it be true?
Anytime you call you know that ill be there
So make sure you each time i say my prayers at night
You were the light

[chorus]
And its your way
Cus theres nuttin that would measure to my shawty
No way, no way but your way
