I called you up for some sexual healin'  
I'm hard again so baby come get it  
Bring the lotion so I can rub ya  
Assume the position so I can f\*\*\* ya  
All night long til you scream and moan  
Cut off ya pager  
Unplug the phone  
Don't say a word just let me work it  
I promise baby that I won't hurt it  
I know u need on nice and one nice and strong  
So I refuse to let u go home

I think I'm gettin' kinda horny  
And I like it baby  
I think I'm gettin' kinda horny  
And I want cha baby  
I think I'm gettin' kinda horny  
And I like it baby  
I think I'm gettin kinda horny  
Horny

Now take of ya clothes and come ta me  
Open ya legs now \*\*\* fa me  
Let me be your fantasy  
I know the size is hard ta believe  
But it ain't the size that really counts  
It's the way you move and make that sound  
Oooh ahhh oooh ohh ayyy ayyy  
Now just like that girl ya got me goin'  
Please don't stop girl keep on strokin'  
Girl you make love like your much older  
The kind of love that makes ya man toes roll up  
But don't you trip off what I'm sayin'  
Cause tonite girl I'm not playin

Would it be alright if I kissed your lips  
Run my hands through your hair and caress your finger  
tips  
Look you str8 in the eyes  
Tell you words of passion  
Make you feel every inch cause this is everlasting  
Take off ya clothes let you put on my sweatshirt

Take a step back look and say yeah that'll work  
Lay you on the bed while I zip snap ya bra  
Let ya hands explore til I get hard as a rock  
Then I'll go and get the honey and pour it all over you  
Take my lips and {kiss} where ever you want me to  
Then after that I'll have you callin' my name  
It won't be funny baby come over I'm fellin' horny

Let me please you  
All nite long  
Tomorrow  
In the afternoon  
In the basement  
In the back seat  
In the kitchen  
On the table  
In the studio  
On the couch  
In the uhh carwash
