Little Miss Miss she's had some troubles but  
She's gonna sort it out early in the morning  
And when you come home  
You're gonna watch her sleep and hold her close  
And stroke her face

In the morning  
You're gonna stare at her  
And wonder why you feel the way you do now  
But she will hold you and reach out to touch you  
And never never never hurt your heart

Oh it's easy but it's just too easy for you now  
She gives you everything but  
That's not what you wanna do

And in the morning, when she wakes up  
You walk away now, you don't turn around  
But she holds you  
She holds you in her heart  
She'll never let you go

In the evening, when you come home  
You save the whisky and you talk about your dreams  
And you hold her when she cries 'cause  
She's feeling lonely - the same way that you do  
When you're feeling the way you're feeling now  
You hold the pillow and you think about her  
And when she holds you, your cold stare melts  
And your heart warms to her

Oh this girl - she's got to you and you're afraid of it  
She gives you everything but that's not what you wanna  
do

And in the morning, you're just gonna turn around  
You break it - you're gonna break the bond  
You're gonna smash the bottle of whisky  
And after all the things that she told you  
You're gonna make love like you never have  
You're gonna make it feel like she meant nothing to

you  
She's gonna cry now and wonder why now  
The way you make her feel

But Little Miss Miss she's having problems  
But she's gonna make it - she's a strong one  
And your heart - well- it's already melted  
But she will never dissolve

In the morning - she's g
