[Chorus]

We don't give a fuck about the time
Stuck inside the fire
Up all night
Feeling like a vampire
Ya I see (I see ya) over there with your crew
Shawty get it I can get it like we do gotta low
Key poppin over here
Gotta low
Key poppin over here
Gotta low
Key poppin over here
So key poppin over here
Ya

[Verse 1]

Now if you meet me in the club
Guarantee to see a bottle pop
You'll be outta low
Key poppin like a bottom lock
And I don't know the time but I know we on the model
watch
Cuz early in the morning tell them toes... mazel tov
Said I'm bout to put it down
Emo
Soon as I walk in they jump on me like we know
Ever year (?) people got their hands up like a ice
And baby let me get you right
I hope you're not afraid of heights
All night damn right I got a full conscription
I'll be stuck inside a box got a full subscriptions
Takin shot after shot like a full blown sippin
Do it big and every minute y'all make em tell em

[Chorus]

We don't give a fuck about the time
Stuck inside the fire
Up all night
Feeling like a vampire
Ya I see (I see ya) over there with your crew
Shawty get it I can get it like we do gotta low

Key poppin over here
Gotta low
Key poppin over here
Gotta low
Key poppin over here
So key poppin over here
Ya

[Verse 2]

Back to the ceiling got everybody excited
Goin goin crazy club look like in asylum
I think I'm chris angel
Feel like I can levitate
While everybody stares
I think that I might take the elevator
See you at the top you been sloppy like a freckle
Back in full of presidential rozay redder than a vessel
got me twisted
Like a (?) you ain't no where near my level hoe
I'm breezy as a polar bear
Cooler than the eskimo
Bitches on my back
Whole world on my shoulders
You can tell the bartender to make my drink a little
stronger
Smokey as a locomotive on the trains to the sky
Know we been here for a while
Might have lost track of my mind but tell em

[Chorus]

We don't give a fuck about the time
Stuck inside the fire
Up all night
Feeling like a vampire
Ya I see (I see ya) over there with your crew
Shawty get it I can get it like we do gotta low
Key poppin over here
Gotta low
Key poppin over here
Gotta low
Key poppin over here
So key poppin over here
Ya

[Chorus]

We don't give a fuck about the time
Stuck inside the fire
Up all night
Feeling like a vampire
Ya I see (I see ya) over there with your crew
Shawty get it I can get it like we do gotta low

Key poppin over here
Gotta low
Key poppin over here
Gotta low
Key poppin over here
So key poppin over here
Ya
