I'm back by popular demand  
well not really, but my optimism's grand  
a little success has got me in a jam  
Never though I'd say I got to many friends  
you can thank my face for that  
I mean wait, Myspace, Facebook  
let's face the facts  
I'm at the bottom of the charts  
by we aiming high  
Kinda hard when they still can't say your name right

Took some time away from the game  
Came back same thing though times have changed  
I'm no longer that dude from that 70's show  
Now I'm the guy who's video is in American Eagle  
I stay fly like eagles got hair like the Beatles  
Spit truth for the people just call this a sequel

We get knocked down but we get right back up  
Keep on comin back we keep on comin back for more  
There is a fire that burns deep inside us we the  
Comeback kids kids we the comeback kids

Round 2, they're askin' what's new  
How you gonna comeback B what you gonna do?  
Took a couple shots to the face from some critics  
Can't imagine what they gonna say when they hear this  
I'm done tryin' to fit in, thought about quittin'  
Can't stop now we can't afford to give in  
Learned my lesson through facin' opposition  
If life doesn't hurt then we're not really livin'  
So we take punch after punch like  
Cassius Clay or Sugar Ray you see  
This hard knock life might make my heart break  
But you ain't gonna make no quitter out of me  
Keep fightin' til' the war is won  
Comeback kids lion heart champion let's go

I'm back, i gotta manager now  
He's 6'4 black and his name is Cal  
If you got a problem yo he'll solve it  
I got a style they still don't know what to call it

I've been on the grind since L.J. was a Hornet  
Way before the days of Chris Paul in New Orleans  
Back in the days of M. Jackson and Jordan  
I was on that 8-track reel to reel recordin'  
And I still gotta pay to get on  
Paid my dues yet I still can't pay my loans  
Couldn't find a hot beat so I made my own  
Couldn't find a hot street so we paved a road  
Hey Mr. DJ keep playin my song  
While you're at it could you please stop sayin' my name  
wrong  
Keep fightin' to the break-break of dawn  
Comeback kids never quit always stay strong
