Iç£>e been down hearted
Ever since the day we met
Baby Iç£>e been down hearted
Ever since the day we met
Our love is nothing but the blues
Baby, how blue can you get?

My love burned like a fire
Your love burned like a cigarette
Yes my love burned like a fire
Your love burned like a cigarette
Yes I've seen you put it down and crush it
Baby, how blue can you get?

Oh youç£-e evil when Iç£Ž with you, baby
And youç£-e jealous when weç£-e apart
Yes youç£-e evil when Iç£Ž with you, baby
And youç£-e jealous when weç£-e apart
How blue can you get baby
The answer's right here in my heart

I gave you a brand new Ford
But you said: I want a Cadillac
I bought you a ten dollar dinner
And you said: thanks for the snack
I let you live in my pent house
You said it just a shack
I gave seven children
And now you wanna give them back
I said Iç£>e been down hearted baby
Ever since the day we met
Our love is nothing but the blues
Tell me how blue can you get?
