You won't listen to nothing I tell you, baby, you keep on  
doing just as you please

Hey, you won't do nothing I tell you, baby, keep on  
doing as you please

I've taken as long as I can, baby, when is this  
foolishness gonna cease

I've worried myself crazy, baby, cried both night and  
day

I said I've worried myself crazy, baby, cried both night  
and day

You don't believe me, baby, but I'm gonna leave one of  
these days

Well, you told me that you love me, but actions speak  
louder than words

Oh, you said you love me, baby, but action speaks  
louder than words

I won't be fooled no longer, baby, that line everybody's  
heard

Well, If you're gonna change, baby, you better do it  
real soon

Hey, If you're gonna change, for the better, baby, you  
better do it real soon

Because you'll wake up one of these mornings, find  
yourself in a empty room
