From Hollywood and Vine
To the Sunset Strip
There's so much goin' on
You can lose your grip

From early in the mornin'
Until late at night
They'll do you so wrong
They'll do you so right

Back in L.A.
Waitin' for the sun to shine
Back in L.A.
Livin' down a life of crime
Back in L.A.
Workin' on another line
Back in L.A.
To pick up the dime
You must do the time

From way up in the Canyons
Where the hot winds howl
To the mean City Streets
Where the night hawks prowl

I can feel the rhythm play
The whole night long
Guess I'll stay in L.A.
And listen to this song

Back in L.A.
Waitin' for the sun to shine
Back in L.A.
Livin' down a life of crime
Back in L.A.
Workin' on another line
Back in L.A.
To pick up the dime
You must do the time
You must do the time

Back in L.A.

Waitin' for the sun to shine
Back in L.A.
Livin' down a life of crime
Back in L.A.
Workin' on another line
Back in L.A.
To pick up the dime
You must do the time

Back in L.A.
Waitin' for the sun to shine
Back in L.A.
Livin' down a life of crime
Back in L.A.
Workin' on another line
Back in L.A.
To pick up the dime
You must do the time

To pick up the dime
You must do the time
To pick up the dime
You must do the time

You must do the time
You must do the time
You must do the time
You must do the time
You must do the time
