At the stroke of midnight
On that great big holiday
We're going to have a ball, and that ain't all
I'm gonna chase my blues away

I'll be bringin' in a brand new year
Bringin' in a brand new year
So listen dear, won't you meet me here
While I'm bringin' in a brand new year

Gonna be a great big parade
I got my resolution made
Gonna ride above the stars
We might even take a trip to mars

I'll be bringin' in a brand new year

Bringin' in a brand new year
So listen dear, won't you meet me here
While I'm bringin' in a brand new year

Oh sailin' down on a rainbow
I'll flirt with lady moon
If she sighs or winks her eye
I won't be back 'til June

I'll be bringin' in a brand new year
Bringin' in a brand new year
So listen dear, won't you meet me here
While I'm bringin' in a brand new year
