Look out baby, I'm in a dangerous mood  
Look out, baby, I'm in a dangerous mood  
I done called up the boss man  
Told him where to go and just what to do

Call me crazy, I did what I had to do  
You can call me crazy, well, I did what I had to do  
I had to steal a little time, baby  
So I could spend it all on you

I parked the car down the street and I unplugged the  
phone  
So it would look just like ain't nobody home  
I put a rose on your pillow where you lay your pretty  
head  
I'm gonna rub your tired shoulders, bring your dinner  
to the bed

Look out, baby, this man's in a dangerous mood  
I had to steal a little time, baby  
So I could spend it all on you, talk to me

I'm gonna light a candle, put champagne on ice  
If one time ain't enough, well, we'll just have to do it  
twice  
I done made myself a will, called my next to kin  
'Cause I'm gonna love you over and over and again  
and again

Look out, baby, I'm in a dangerous mood  
I had to steal little time, girl  
So I could spend it all on you

Look out, baby, I'm in a dangerous mood, you know it  
Look out, baby, I'm in a dangerous mood  
I got this one last paycheck, baby  
And I'm gonna spend every dime on you, oh yeah
