I got my mojo workin' but it just don't work on you
I got my mojo workin' but it just don't work on you
I wanna love you so bad I don't know what to do

I'm goin' down over there to bring back a mojo hand
I'm goin' down over there to bring back a mojo hand
I'm gonna have all you women venture my command

I got a real gypsy woman givin' me advice

I got a real gypsy woman givin' me advice
Well I don't know what she want but she sure looks
mighty
Nice
All right!

(Instrumental)

(X3):

I got my mojo workin' (I got my mojo workin') (this line
X4)

I got my mojo workin' but it just don't work on you
