I get so weary in the evenin  
When the suns goin down.  
I get so weary in the evenin  
When the suns goin down.  
I get so lonesome whine  
My baby's not around.

When I go to bed at night,  
And the birds begin to call.  
When I go to bed at night,  
And the birds begin to call.  
I feel so sad and lonely,  
For my baby that ain't all.

Well I get up in the mornin',  
Just before the break of day.  
When I get up in the mornin',  
Just before the break of day.  
Thinking about my baby,  
But I know she's going to stay
