I don't want it babe, I just want a little bit
No, I don't want it babe, I just want a little bit
Just the eenie-winie bit, just the eenie-winie bit of your
love

Turn your lamp down low and found your sleep in your
kiss
Turn your lamp down low, you know I can't resist
Just the eenie-winie bit, just the eenie-winie bit of your
love

I want you by ever, I'm just a peace of mind
Please say you'll never leave me, until the end of time
Just the eenie-winie bit, just the eenie-winie bit of your
love
