Oh, I need you so bad  
Oh, I need you so bad  
Well, when we are together, baby  
I have more fun than I've ever had

Well, I've been looking inside  
Trying to find someone to call my own  
Yes, I've been looking inside  
Trying to find someone to call my own

But without your love, pretty baby  
I would rather be left alone

I know my luck has been bad  
It's been bad so many days  
I know my luck has been bad  
It's been bad so many days

Yes, please come to me, baby  
Please don't turn my love away

Well, baby, I need you so  
Yes, baby, honey  
You know I need you so

Well, look right up  
And say you'll take me  
So I can live just once more
