I pity the fool, I said I pity the fool
I pity the fool, I said I pity the fool
That fall in love with you
And expects you to be true
Oh, I pity the fool

Look at the people
I know you're wondering what they're doing
They're just standing there
Watching you make a fool of me

Look at the people
I know you're wondering what they're doing
They're just standing there
Watching you make a fool of me

Oh, I pity the fool, I pity the fool
That falls in love with you
I pity the fool, I pity the fool
Mmm, that falls in love with you
I pity the fool, I pity the fool

She'll break your heart one day
And she'll laugh and walk away
Oh, I pity the fool

You'll break your heart one day
And then she'll laugh and walk away
Oh, I pity the fool

Look at the people
I know you're wondering what they're doing
They're just standing there
Watching you make a fool of me

Look at the people
I said I know you're wondering what they're doing
They're just standing there
Watching you make a fool of me

Oh I pity the fool, I pity the fool
That fall in love with you

I pity the fool
(Yeah, I pity the fool)
I pity the fool
That falls in love with you

She'll break your heart one day
And she'll laugh and walk away
(Oh, I pity the fool)
Oh yeah

Look at the people
(Look at the people)
I know you're wondering what they're doing
(What are they doing, man?)
Look, they're just standing there
(They're just standing there)
Watching you make a fool of me

(Tell me again, man)
Look at the people
(Look at the people)
I know you're wondering what they're doing
(What are they doing, man?)
Look, they're just standing there
(They're just standing there)
Watching you make a fool of me
