I want to get married
But no woman will hear my plea
Yes, I want to get married
But no woman will hear my plea
Yes, it does seem somehow
I can't get one to walk down the aisle with me

Well, I've only been in love
But three times in my life
Yeah, the first, I couldn't satisfy her
But I've only been in love three times in my life
Yes, the second one was a juice-head

And the third was another man's wife

Yeah, they say, "Join the navy
If you really wanna see the world"
Yes, they say, "Join the navy
If you really wanna see the world"
Well, but I say join B.B. King
Baby, if you really want to be loved

Aaw, my time is gone
Babe, and I must say goodbye
Yes, my time is gone
Babe, I must say goodbye
So you women better watch out
I must have that wife before I die
