"Peace To The World"

Raise up your hands
And put a smile on your face
Talking to everybody
In the human race

We're proud and strong
So stand up tall
Let's all get together
And bring peace to the world

Let's all get together
Bring peace to the world
Let's all get together
And bring peace to the world

Every man and woman
Girl or boy
Let's all get together
And bring peace to the world

A train of love
Starting right here
Jump on to it
Have no fear

It's yours, it's mine
So I answer the call
Let's all get together
And bring peace to the world

Let's all get together
Bring peace to the world
Let's all get together
And bring peace to the world

Every man and woman
Girl or boy
Let's all get together
And bring peace to the world

Let's all get together
And bring peace to the world

Let's all get together
And bring peace to the world

Every man and woman
Girl or boy
Let's all get together
And bring peace to the world

Let's all get together
And bring peace to the world
Let's all get together
And bring peace to the world

Every man and woman
Girl or boy
Let's all get together
And bring peace to the world

Let's all get together
And bring peace to the world
Let's all get together
And bring peace to the world

Every man and woman
Girl or boy
Let's all get together
And bring peace to the world
