I'm cryin' please, baby, honey, please remember me  
I'm cryin' please, baby, please remember me  
Well, it fills my heart with great consolation, darlin'  
To know that you will remember me

Well, I want you to love me, baby  
Like the snow falls on the cold, cold ground  
Yes, I want you to love me, baby  
Like the snow falls on the cold, cold ground  
Lord, with your love like that, darlin'

I know you'll never let me down

Well, alright  
Just talk to me, baby  
Yes, alright

Well, when you were leavin', baby  
Well, I could see the smile on your face  
Oh, yes, when my baby was leavin'  
People, I could see the smile on her face  
Well, you know I'm so glad, people  
There is no-one can take my place
