I've got my questionnaire  
Aand they need me in the war  
I've got my questionnaire  
Aand they need me in the war  
Yes, if I have to commit murder  
Won't have to (???)

I want the thirty two-twenty  
Made on a forty-five frame  
I want the thirty two-twenty  
Made on a forty-five frame

And a red, white and blue fag  
Wear it in my right hand

Yeah, you can tell my baby  
Tell her to please wait for me  
Yeah, you can tell my baby  
Tell her to please wait for me  
Well I meet her one mornin'  
Down by that old Red Sea
