(feat. Elton John)

Why don't ya come on down,  
let me tell ya what I got now  
Baby please come on down,  
let me tell ya what I got now  
I got the house rockin' blues  
everybody's been talkin' about

Gonna start after midnight  
and rock it til the break of dawn  
Gonna start after midnight  
and rock it til the break of dawn  
Ya don't have to be a saint  
cuz your daddy don't do ya no harm

chorus

We're gonna rock, gonna rock, rock this house  
We're gonna rock, gonna rock, rock this house  
We're gonna rock, gonna rock, rock this house

We're gonna rock, gonna rock, rock this house  
We're gonna rock, rock this house ... tonight

She's a tall lanky woman, man she's built for speed  
She's a tall lanky woman, man she's built for speed  
I'm crazy 'bout that woman,  
cuz she's got just what I need

chorus

You can set up a table cuz that I think she'd like  
You can set up a table cuz that I think she'd like  
My baby's in town  
you know we're gonna rock tonight
