You might be old about ninety years
But you ain't too old to shift them gears

You can shake it up and go
(Shake it up and go)
Shake it up and go
(Shake it up and go)
You good looking people sure can shake it up and go

Mama killed a chicken, she thought it was a duck
She put him on the table with his legs sticking up

She had to shake it up and go
(Shake it up and go)
Shake it up and go
(Shake it up and go)
You good looking people sure got to shake it up and go

Well I told my baby, well the week before last
The gait she had was just a little too fast

She had to shake it up and go
(Shake it up and go)
Shake it up and go
(Shake it up and go)
You good looking people sure got to shake it up and go

I told my baby, well the week before last
The gait she had was just a little too fast

She had to shake it up and go
(Shake it up and go)
Shake it up and go
(Shake it up and go)
You good looking people sure got to shake it up and go

Look here baby you ain't treating me right
You go out everyday stay out late at night

You got to shake it up and go, baby
(Shake it up and go)
You got to shake it up and go

(Shake it up and go)

Good looking people sure got to shake it up and go
