You made me leave my happy hoe
You took my love and now you're gone
Since I fell for you

Love brings such misery and pain
I guess I'll never be the same
Since I fell for you

Oh, it's too bad, oh, it's so sad
I'm in love with you
You love me, then you snub me
But what can I do
I'm so in love with you

Oh, I guess I'll never see the light

I get the blues 'bout every night
Since I fell for you

Well, it's too bad, oh, it's so sad
That I'm in love with you
Oh, you love me, then you snub me
Oh, but what can I do
I'm so in love with you

Oh, I guess I'll never see the light
I get the blues 'bout every night
Since I fell for you
Since I fell for you
