Don't care when you go
How long you stay
But good kind treatments
Will bring you back someday

But someday, baby
I ain't gonna worry my life anymore

Aw, but one thing
Really give me the blues
When I wore a hole
In my last pair of shoes

But someday, baby
I ain't gonna worry my life anymore
Just keep on a bettin'
About the, you're gonna leave
Here runnin' almost too fast

But someday, baby
I ain't gonna worry my life anymore

Don't like everybody
In my neighborhood
I got a no good woman
She don't mean me no good

But someday, baby
I ain't gonna worry my life anymore
