There ain't no road too rough to walk  
There ain't no talk too sweet to talk  
Wherever you are, it's where I'll be  
'Cos that's how much you mean to me

All the money in the whole round world  
Wouldn't be enough for you, little girl  
Wish I could give you a money tree  
'Cos that's how much you mean to me  
A girl like you needs some loving  
Teasin', squeezin' and huggin'  
Step right up and take my hand  
I wanna be your great big hunk of man

Baby, I wanna have your picture  
To put it in my, my storybook  
While it out big so the world can see  
'Cos that's how much you mean to me
