All of my life, I've been searchin'  
For someone that's lonely too  
I know my darlin', I found you

I'm gonna make you happy  
Oh, that's what I'm gonna do  
I'm gonna do all I can for you

Whenever I'm near you, oh, I can't control myself  
My heart it beats so fast 'til I know  
I know this love is gonna last

Now, now my searchin', my searchin' is over  
Oh, and I touch myself, I touch myself everyday  
Because I never thought that anyone  
Could make me feel this way

You know I never thought, I never thought  
I never thought that anyone  
Anyone could make me feel this way
