Yes, people are talkin' all over town

They say you don't love me

You gonna put me down

You better watch yourself baby

You better watch yourself

You better watch yourself woman

'Cause I got my eyes on you

Now you tell me what's the matter

What you gonna do

First you say you love me

Now you say we're through

You better watch yourself baby

Watch yourself

You better watch yourself woman

'Cause I got my eyes on you

I gave you my money

Everything too

A big fat house

Now baby what you gonna do

You better watch yourself

You better watch yourself

You better watch yourself woman

'Cause I got my eyes on you  
Now you're gonna leave me  
Leave me here to cry  
Now you know I love you  
You're my whole heart's desire  
You better watch yourself baby  
You better watch yourself  
You better watch yourself woman  
'Cause I got my eyes on you  
Yes!  
Yes, yes baby!  
Yes, yes baby!  
Yes, yes baby!  
Yes, yes baby!  
You better watch yourself woman  
You better watch yourself  
You better watch yourself baby  
'Cause I got my eyes on you
