I wonder why, why do everything have to happen to me  
I wonder why, why do everything have to happen to me  
Well, I'm blue and I'm lonesome, my heart is filled with  
misery

Oh, so many strange things, they happen to me all day  
long  
Oh, so many strange things, they happen to me all day  
long  
yes, it seems like everything I do, everything I do is  
wrong

I had a good reputation, the greatest man in town  
But I'm having so much troubles, till they 'bout to drag  
me down

I wonder why, why do everything have to happen to me  
I wonder why, why do everything have to happen to me  
Well, I'm blue and I'm lonesome, my heart is filled with  
misery

I got up on my feet, I had lots of friends  
But bad luck had hit me, now I'm down again
