You don't know how much I love you  
You don't know how much I care  
You don't know how much I need you  
Without you life I can't bear  
You don't know  
You don't know baby  
You don't know how much I love you  
And you can't know just how I feel

The flame is still burnin'  
Burnin' deep down in my soul  
When I think of your love and kisses  
It makes my blood run cold  
You don't know baby  
You don't know baby  
Yes you don't know how much I love you  
And you can't know just how I feel  
All my friends call me crazy  
For acting the way that I do  
But I just can't help myself  
'Cause I'm so in love with you  
You don't know  
Yes baby you don't know  
You don't know how much I love you  
And you can't know just how I feel

You don't know  
You don't know  
You don't know baby  
You don't know  
You don't know  
You don't know baby  
You don't know

Yes you don't know how much I love you  
And you can't know just how I feel
