Yeah, you never know how you hurt me, baby  
How bad I feel inside  
Oh, you never know how much you hurt me, woman  
How bad I feel inside  
I believed you when you said you loved me  
Oh, but I know you lied

Oh, when I lay down in darkness  
I keep hearin' your sweet voice  
When I lay down in darkness, baby  
I keep hearin' your sweet voice  
And I remember you at chuch, woman, oh, and how I  
rejoice

I know the people are talkin', baby

But I don't care what they say  
I realise that people talkin', baby  
But I don't care what they say  
I know I still love you, woman, and I want you home to  
stay

Yeah, if you ever change your mind, woman  
Won't you please come on home  
Oh, if you ever change your mind, baby  
Won't you please come on home  
Yes, I'm not good without you, baby  
And you're not good to me gone
